

2nd REGIONAL TECHNICAL WORKSHOP OF THE 2024/2025 5th EDITION OF THE ISTANBUL ENVIRONMENT FRIENDLY CITY AWARD

20/05/2025 15:00-16:00PM (CET)

AGENDA

Format

This 2nd regional event focuses on a technical working session in which participants can solve the doubts they have on their potential applications. It will be held online from 15.00 to 16.00 (CET). An expert will be available to answer the questions of all potential applicants.

The session will be held in English only.

The detailed introductory session is available at this link [Informative session about how cities have to apply to the Istanbul Environmental Friendly Award 2025](#), held on 19 March 2025.
